This conference call has been scheduled to discuss how to transfer the soil database for the 35<sup>th</sup> Avenue Site to Danielle Langman, who will be writing the health consultation.

If you have questions please call me at 404-562-0637 (office). I will be unavailable December 2 and 3, and will be teleworking December 4. I can be reached on my cell phone at 404-747-4185 while teleworking.

I look forward to talking to you next Thursday.

Sue
